Minutes of the Deputy Minister for Home

No. DOH 457/58 Dated, Bangalore, 20th March 1959.
Encl: 1.

Please see letter No.B3.L.Dis.2217/57, dated 2nd March 1959 addressed by the Chief Conservator of Forests to the Secretary to Government, Agriculture and Forest Department, with a copy to my office, regarding the grant of 35 acres of land to the Davangere Municipality. It is seen from this letter that the Forest Department intends to keep the above land in their possession and maintain the same a forest area on the outskirts of the Municipal limits, Davangere. I have seen this forest area when I visited Davangere, and the prospects of developing this area as a forest grove are not at all bright. This area does not contain any valuable trees but replete with trees commonly known as Babul (Jali) trees. Very close to this forest area, there is a collection of sewage water which is a potential source for breeding mosquitoes. This forest area, in question, has not been used by any of the town dwellers nor is it useful for the citizens of Davangere. If this forest area is taken over by the Davangere Municipality, the stagnation of sewage water, which impairs the health of people living nearby, will be led through this forest area by underground drainage and the Municipality will effect improvement to this area for the benefit of the town dwellers. There is no justification of the Forest Department to maintain the area in its present form but viewed in the light of development of this area and better sanitation, the Forest Department will give up this land in favour of the Davangere Municipality. The Hon'ble Minister for Forest and Agriculture will please consider these facts and pass orders releasing the land to the Davangere Municipality immediately, since the matter has been pending for several months.

Sir,

Subject:- Grant of 37 acres and 37 guntas of land out of Davangere Tank Bed to this Municipality.

With reference to the above, I write to enclose herewith a copy of the letter addressed to the Secretary to the Government, L.S.G. and Public Health Department, Bangalore - for favour of kind perusal.

In this connection, I wish to state that this case is pending from 1948 and the Forest Department is simply - tossing the record here and there unnecessarily. The Conservator of Forests, Bellary, who had come over here had - also been convinced the need of this land for which he had - agreed to recommend to Government, but he has adversely re-commended to Government.

I also request you kindly to pay a visit to Davangere and inspect the land in question and study the situation.

Thanking you,

With kind regards,
Yours Sincerely,

From

To

The Secretary to the Government of Mysore,
L.S.G. and Public Health Department,
BANGALORE.

Sir,

Subj:- Grant of land measuring 37 acres and 37 guntas situated to the West of Davangere Tank bed margin free of cost - to Davangere City Municipality.

With reference to your letter No.LLE 65 CIS dated 5-11-1958 on the above subject, I write to state that a joint inspection of the - Conservator of Forest, Bellary Circle and District Forest Officer, - - Chitradurga on 18-2-1958 was made and also personal discussions were held at Pravasimandira on the same day. At the end the Conservator and the District Forest Officer had agreed to the proposal on conditions (A copy of the letter addressed to the Conservator in these conditions are noted, is enclosed). They promised to recommend to Government for granting this land to our Municipality. During inspections the necessity for and the advantages of having the land explained in detail to the Conservator. But it is a surprice to that the Conservator, Bellary Circle has adversely recommended to Government.

In this connection, I wish to state that the Forest Department have taken little efforts to grow there trees, plants and shrubs in this area and the trees ([illegible]) have grown and soil is black cotton one suitable for free growth since the sewage water flows in the big drain in the middle of the forest. It is tained that some Forest Department Officers (Local Officers) using the Forest Products and they are misguiding their high

authorities thinking that they have to loose the unauthorised benefits of the Forest Products.

Further I write to state that the land in question in which the big feeder halla runs, is a tank bed which has been depleted long back in the interest of the Health of this City. Since this halla has not been revitted with stones on either side both the storm and sewage water does not flow freely and stagnates here and there consequently and it will be a potential source of mosquito breeding which will affect the health of the public of the surrounding area. In this connection I wish to state that the Minister for L.S.G. and Deputy Minister for Home in Mysore, Bangalore have also personally inspected the spot - and they were kind enough to promise to grant this Forest area to this Municipality for the extension of Cattle Shandy Maidan, to forming suitable sites for location of Primary and Middle - Schools and also forming play grounds and public park etc., - Under these circumstances, I request the Minister for Agricultural and Forest to visit this place personally and study the situation.

In these circumstances explained above, I request you - kindly to recommend for granting the land to this Municipality at an early date. Early action is requested in the matter.

Office of the

Dated 2nd March 1959.

To

The Secretary to Government,
Agriculture and Forest Department, Bangalore.

Sir,

Sub:- Press cutting from the local newspaper 'Samyukta Karnatak' dated 18-2-1959 - Grant of 35 acres of land to the Davangere Municipality.

In enclosing a copy of the press cutting from the 'Samyukta Karnatak' Kannada Daily dated 18-2-1959, I write to state that the question of release of 35 acres of land belong to the Forest Plantation near Davangere to the Davangere Municipality, has been again brought up. Under pressure from the Municipality, the Department had written to the Government favouring the release of this land to the Municipality; but Government, after very careful consideration of the full facts of the case and in view of the fact that there is no wood lot (i.e. forest grove) for miles around, this huge centre of population (Davangere) considered it absolutely necessary to maintain this area under forest with a view to provide lung space and recreation ground to the big city. The Department was also asked to complete its afforestation and accordingly the whole of this area has been afforested except a small portion where Babu had come up naturally. This is the actual situation. So, when the question of its release was again raised by the Municipality in view of Government orders of 1955 (copy enclosed), the department rightly carried out the policy laid down by the Government in this connection and objected to its surrender to the Municipality especially because trees growth round about the city of Davangere has been further depleted during the last three years and desert conditions would soon follow, if even the last vestige of trees growth remaining over here is destroyed. Orders of Government on the office letters of even number dated 18-11-1958 and 30-1-1959 are awaited. Under the circumstances, I feel that the Forest Department is not to blame, as it has merely been trying to implement the well considered Government decision of 1955, which is in the interest, so far as I know, of the State.

Yours faithfully,

Sd. K.Kadambi,

Chief Conservator of Forests.

My dear Kadambi,

Referring to the disposal of 35 acres of land situated to the west of Damanagere Tank bed to the Davanagere Municipality, I write to enquire as to how the Forest Department came in possession of this bit of land. If this has been given to the Forest Department, the conditions on which it was given may be stated. How the Forest Department came in possession of this land is to be made clear before its disposal to the municipality could be considered. I therefore request you to kindly send a report by return of post.

I write to state that the works were carried out in 37 acres plot near Davanagere Municipality during 1956-57 as per the sanctioned schedule of rates which were existing then.

The estimate was submitted for Rs.2879-50 with the intention to fence the entire area with barbed wire. As the area has already been handed over to the Davangere Municipality the question of fencing the area with barbed wire does not arise.

It is enough that the estimate is sanctioned for Rs.522/- only now for the works actually carried out in 1957 to enable me to reduce the long standing advance of 1956-57. The estimate may kindly be sanctioned and communicated to this office intimating the Chief Conservator of Forests that there is no necessity to sanction the estimate for Rs.2,879-50 by Government.

An estimate for the works actually carried out is submitted herewith for sanction which was already been countersigned by the Conservator of Forests, Bellary previously.

2) Letter No. Az-90-958/55 of 26-12-1963 of the CCP

Order thereon—No. AED 56 AGT 57 of 4-3-1964

Preamble:-

The CCP in his letter of 2-9-58 has submd. an estimate for Rs. 2,879-80 np. for

the Affn work undertaken on an area of 37 acres plot near Davanagere Municipality and has requested sanction of the estimate.

The ccf in his letter of 20-12-1963 has stated that the estimate originally submd. for Rs. 2,879-50 np in the ccf letter of 2-9-58 was with intention to fence the entire area of 37 acres with barbed wire. But according to the G.O. No. RD 108 GRA 61 of 15-2-1962 as the area has already been handed over to the Davangere Municipality for public purpose and hence the question of fencing the area with

Minister for Agriculture.

I have personally inspected the site twice with forest officers. Discussed with Sec., A. & F. and Secy., Rev. Deptt. Davangare town is expanding every-day. Forest Deptt. is not making best use of the said land, nor is it in a position to do so as there is no forest area round about. Nursury is not maintained well. It is a black cotton area and Forest Nursury would not thrive. There is no water facility also. Hence ~~xxxxxxxxxxxxxxxx~~ I have come to the conclusion that the said area should be released to the Municipality for construction of Pukka Drainage maintenance of garden etc. and make use it for such other public purposes which are not meant for making monetary profit out of it. I have consulted the L.D. The land may be granted to the Municipality on terms and conditions laid down by L.D. President, ~~xxxxxx~~ Municipality has also agreed to the conditions of grant.

Minister, L.S.G.D. may please see and approve.

Minister, R.D. may also please see and approve an take such further actions as are necy.

The R.D. is requested to state the financial implication of the proposed grant of land and why the question of sanctioning the amount involved as grant in aid to the Municipality should not be considered as the A.G. objects to indirect grant of concessions to local bodies.

Id/- 16-5-56

If the F.D. has no objection grant-in-aid to the Municipal Counci, Dayangere, may be given to meet the cost of the land. Before the grant-in-aid is given, the nominal cost of the land has to be determined by the R.D. The F.D. may suggest the source from which the amount of grant has to be given.

As an alternative, the nominal price of the land has to be determined and the Municipal Council asked to purchase the land for the price to be fixed. The resolution of the Council is necy. to this proposal and the Municipal Commr. may ~~be~~ obtain the same. The Municipal Council, Davangere may meet

It has been agreed to by the Forest Deptt. in this file to hand over possession of 37 acres and 37 guntas of forest land to Davangere City Municipality. The Reve. Minister has approved the transfer of this land. The land has to be transferred subject to certain terms and conditions and subject to the City Municipality executing an agreement in accordance with the draft suggested by the L.D. Actually, an agreement has been obtained from the City Mun. Council Davangere, together ~~wkx~~ with a copy of the resolution agreeing to pay Rs.10,000 towards the cost of the land, Rs.5000 to the Forest Deptt. and non-agricultural assessment payable as per rules. There was no need, however, to wait for the execution of this agreement by the Municipality for the issue of the

G.O. Actually, the agreement should have been obtained after the issue of the G.O. as the terms and conditions subject to which the land is proposed to be transferred have to be incorporated in the G.O. and the agreement should have been according to the provisions of the G.O. The draft G.O. put up does not, therefore, conform to the orders passed. A G.O. may be put up incorporating the terms and conditions which are proposed to be included in the agreement. The G.O., in particular, should lay down the cost of the land which the Municipality should pay (viz. Rs.10000), the amount which they have to pay to the Forest Deptt. (viz. Rs. 5000) and the payment of the non-agricultural assessment according to rules. The other conditions which are mentioned in the agreement should also be mentioned in the G.O.

In the draft agreement, it is suggested that the land is to be granted free of cost, it is not in accordance with the orders for the recovery of the nominal price of Rs.10000/-. Hence, the draft agreement requires some modification. A draft G.O. may please be put up accordingly.

It was ascertained over phone from C.C.F. u.o. that this plot was simply transferred to the Forest Deptt. in G.O.No.R.7168-75/L.R.624-40-2, dt. 11/3/-5-1942 after having breached the then existing tank. And further it was also verified that no notification was issued constituting into a Reserve Forest under the relevant provisions of the Mysore Forest Manual. Subject: Grant of 35 acres of land situated to the west of Davangere tank bed - to the Davangere Municipality.

Ref: Your D.O.letter No.AFD 56,AFT 57, dt.23-3-1959.

Sir,

I write to state that according to the orders contained in G.O.No.R.7168-75/L.R.624-40-2, dated 11/13th May, 1942 (copy enclosed), out of 47 acres 10 guntas of S.No.34 of Davangere Tank Bed area belonging to Revenue Department, an area of 10 acres was handed over to the Davangere Municipality for an experimental fruit and vegetable garden-which has not been raised and the remaining area of 37 acres 10 guntas was handed over to this Department for raising a model fuel plantation, subject to the condition that land should revert to the Revenue Department unconditionally in case the object of the grant is not fulfilled. Accordingly, this Department has raised plantations and the area is now fully covered with species like Sisoo, Rain tree, Casurina, Eucalyptus, Jali, Bevu and Seemethangadi (Acacia arabica) have come up profusely and forms luxuriant crop). At the time it was given the whole area was a virtual swamp. Now the soil has been drained and has become fit for cultivation.

Yours faithfully,

Sir,

Sub:-Release of forest lands in Davangere Tank bed (S.No.34) in favour of Municipality of the Town.

Ref:-Your letter No.AFD 56 AFT 57 dated 25-3-1959.

The area in question was inspected by the Hon'ble Minister for Agriculture and Forest on 8-3-1959. In this connection I invite your kind reference to the correspondence ending with this office letter of even number dated 3-4-1959. The area asked for by the Municipality was handed over to the Forest Department to form plantations which has been done. If required, drainage pipes may be laid through this forest and stagnation of sewage in the area eliminated. A Park can be maintained by the Forest Department. The land is very valuable and handing over to the Municipality has been negatived by Government in their order No.AF 240 dated 11-4-1955 and AF 2474/L.A. dated 22-6-1955. Circumstances have not changed since 1955 to reverse this order As there is no objection for this department for laying in of sewage pipes through the plantation and draining this area the necessity of its release to the Municipality does not really exist. The Municipality was given 10 acres adjoining the area for a fruit and vegetable garden which they have not raised. Even that land should be resumed as per terms of the grant originally made. However, I do not suggest any such measure as it is not under the Forest Department.

Yours fa ithfully,

(K.KADAMBI)

Sir,

Sub:- Afforestation work to be done in 37 acres Plot near Davanagere Municipality.

Ref:- Your letter No. A.F. 9704/F dated 2nd January 1956.

I forward herewith the two estimates noted on the margin for Rs. 4343/8/- received from the Conservator of Forests, Shimoga Circle for the afforestation work to be done in the Tank Bed near Davanagere Municipality and state that a sum of Rs. 2960/- has been proposed for fencing the area of 37 acres with Barbed wire and Stone Pillow. I feel that this is an expensive item for the area and it is not worth while spending on this area. The Planting work may be taken up now and fencing provided later on if it is found very necessary.

Ref: Your letter No.AFD.56.AFT.57 dated 3rd July 1957.

-o-o-o-o-o-o-o-

I forward herewith the copies of marginally noted references

1. Letter No.CC.461/54-55 of 28-12-1954 from Municipal Commissioner Davangere
2. Letter No.HC.153/54-55 of 19-1-1955 from Municipal Commissioner Davangere
3. Letter No.30/57-58 of 9-4-1957 from the D.F.O.Chitaldrugs

received through the Conservator of Forests, Bellary for kind perusal and state that the plantation area was formerly a tank close to Davanagere Town. This was breached in 1944 for preventing the spread of malaria in the Town and its surrounding areas.

The tank was 47 acres and 37 guntas in extent out of which 10 acres was handed over to Davangere Municipality and balance 37 acres and 37 guntas to the Forest Department for raising plantations.

The cost of the afforestation work done so far is given hereunder.

1943-44	...	Rs. 49-12-0
1944-45.		448- 5-0
1945-46.		575-15-0
1946-47.		35- 0-0
1955-56.		50- 0-0
1956-57.		522- 0-0

A sum of Rs.500/- will be required for afforesting the remaining area and this will be taken up next year. At present the area is fenced on one side with stone pillows and Barbed wires towards which an expenditure to the extent of Rs.602-8-0 is said to have been incurred. It is necessary that the other sides have to be fenced at a cost of Rs.2357/- as the plantation is situated in the proximity of the city.

P.T.O.

The amount required is as follows:-

1). Rs.522/-(Amount adjusted and held under OBA for want of sanction.

2). 2357-8-0 (Amount required for fencing the remaining 3 sides).
